

Animal Alliance of Galveston County invites you to  
kick off Be Kind to Animals Week at the 2<sup>nd</sup> annual

## Trot for Spot Pet Walk-a-thon

Saturday May 3<sup>rd</sup>, 2008

Walter Hall Park, League City

9am - 1pm

AAGC supports the community by providing low cost spay & neuter surgeries. 100% of the money you raise goes to programs to end pet overpopulation in our area.

### Walk information:

Participants collect pledges from friends, relatives, colleagues and neighbors to raise money for the AAGC clinic. On May 3<sup>rd</sup>, everyone brings their pets to the walkathon to complete laps around a 1 mile course through beautiful Walter Hall Park (on Hwy 3 between Nasa and 518). Cool off at doggy day spas along the way and visit with other pet owners! After the walk, visit vendors and have lunch under the trees. The official welcome will be at 9am and fun activities are planned for the entire day.

**Prizes:** Every walker pledging at least \$25 will receive a t-shirt at the event (while supplies last). At 1pm, the participant with the most pledges will be given a grand prize.

**Walk as a pack:** Your business or group can collect pledges and join as a team. You will receive recognition in our newsletter

and the pack with the most pledges will receive a plaque to display. Pledge \$25 per pack member and everyone receives a t-shirt! Preregister through email (below).

**Important:** Bring written proof of rabies vaccination (no tags). All animals must be on a leash.

### Fun filled activities for the whole family!

- Visit vendor booths
- Enter contests
- Parade of adoptable animals
- Microchipping
- Enjoy dog agility demonstrations and try out an agility course
- Delicious food and beverages
- Play games
