

**NOW HIRING EXPERIENCED TECHNICIAN:**

A great opportunity is available for an experienced veterinary technician to join our team! The Animal Alliance of Galveston County (AAGC) is a low-cost non-profit spay/neuter and wellness clinic seeking a full-time technician.

Our technicians play a vital role in providing excellent medical care to our patients and great customer service to our clients. A positive attitude, excellent written and oral communication skills, basic math skills, and computer literacy are necessary.

Technicians must fully utilize their skills, including drawing blood, performing in-house laboratory tests, safe physical restraint, administering medication, maintaining medical records, client education, and assisting the veterinarian.

Candidates must pass a background check and drug test. They must also have a minimum of one year of experience.

We offer a generous benefits package, including medical and dental insurance, paid vacation, holidays, and sick time. Compensation is commensurate with education, training, and experience.
