

## Feral Cat Spay & Neuter Guidelines

1. We take feral cats on a first come, first serve basis and you must be present. We take the first **FIVE** feral cats in the morning, Monday-Friday. Doors open at 7 am. There will be a sign-up sheet on a clipboard hanging outside the front of the building.
2. You will sign up with your feral cat name/last name. For example Feral #3 Smith.
3. Feral cats **MUST COME IN A HUMANE TRAP**. If they are not in a humane trap, they will not be accepted for surgery. **ONE cat per humane trap**.
4. You must sign a surgery consent form for each feral cat.
5. You will pick up your feral cat between 4:00-4:30 pm.
6. Feral cats **Will Be Ear Tipped** to show they are sterilized. There are no exceptions to this procedure.
7. Rabies vaccination is required by state law and will be given to every feral cat with doctor approval.
8. If finances allow, please consider these additional procedures to improve the health and quality of life of your feral cat:
  - a. Vaccinating against FVRCP (\$19) and FELV (\$19).
  - b. Testing for Feline Leukemia and Feline AIDS (\$25)
  - c. Deworming for intestinal worms with Profender (\$11-\$17)
  - d. Applying a topical flea/heartworm preventative (\$18.50)
  - e. Cleaning ears and applying ear mite medication if needed (\$25)
  - f. Giving a long-lasting antibiotic injection if needed (Convenia \$12-\$35)
9. Feel free to ask our technicians any questions you have about the above policies/procedures.

### **TRAPS:**

If you need to rent a feral trap, you may do so from us with a \$60 deposit. Cash or Check **ONLY**. You will get your \$60 deposit back as soon as the trap is returned.
